The Signature Series

Introducing Kent Premiere Cabinetry - The Signature series, a fully customizable luxury brand designed to bring your dreams into reality.

After being in the contracting business for 20 years, Ryan Kent realized that there was something missing in the kitchen and bath renovation world, and that is when Kent Premiere Cabinetry came to life.

"I couldn't find everything I wanted in one brand of quality American-made cabinetry. I had a vision to create my own line of cabinetry that would fulfil all the needs of my clients and contractors alike. I knew that I could do it better and was determined to make it happen. It was a challenging journey, taken with perseverance, and today I take pride in my brand of cabinetry that meets the highest standards of quality, design, and functionality."

- Ryan Kent
